

The background is a deep purple, densely decorated with festive elements. In the top right, there is a large, ornate carnival mask with pink, gold, and blue details and large blue and pink feathers. A gold streamer ribbon winds from the top left towards the center. The bottom left corner features several small, clear plastic containers filled with different colors of glitter (pink, purple, gold, blue) and a pile of multi-colored confetti. A large gold star and a smaller pink star are at the bottom center. On the bottom right, more streamer ribbons in gold, pink, and blue are visible. The overall theme is tropical and celebratory.
